

## FLOATING WATER BOWL

## USING TIPS

Please read the 4 tips before using

- When the floating plate is filled with water, it can be disassembled, cleaned and drained inside, and then you can mount the floating plate.
- Hold the topmost to the mark shown place in the drawing and insert together to prevent the floating plate from popping out.
- For the first use, some pets may need some time to get used to it, so you can gently press it with your finger to indicate the presence of water.
- Some furry friends may like to splash water with their paws in the middle. Patiently teach them to use it.

## PRODUCT PARAMETERS

Brand: DOGGOCAR  
Size: 225\*225\*78mm  
Name: Floating Water Bowl  
Color: Grey/White
